

♥ THANK YOU ♥

from the bottom of my heart

Dr. Mike,

1/31/06

Just a note to let you know how much we appreciate you + your staff. We are grateful for all of the excellent dental care we have received from you over the past 16 years. We have certainly needed it! We are praying that God will bless you abundantly and help you to know how much you are loved by Him.

With appreciation
George + Amy
